

Privacy Policy

Thank you for visiting dakotafence.com and 3dspecialties.com (collectively, their "Website"). Dakota Fence Company and 3D Specialties, Inc. (collectively, "Dakota Fence and 3D") recognize that your privacy is important. This written Privacy Policy explains the information Dakota Fence and 3D gather from you through their Website and any other medium and how Dakota Fence and 3D may use it.

Dakota Fence and 3D may, in their discretion, amend this Privacy Policy from time to time. Therefore, you should review the terms of this Privacy Policy periodically in order to be aware of how Dakota Fence and 3D collect and use personal information, as you will not be separately notified of any such changes. By exploring and using the Dakota Fence and 3D Website or communicating with Dakota Fence and 3D through their Website (including by email), by submitting information as you use their Website (including by email), and by completing and submitting credit applications, guaranty agreements and/or any other information to Dakota Fence and 3D, you agree to the terms and conditions of this Privacy Policy and to Dakota Fence's and 3D's use of such information as described herein.

What personally identifiable information is collected?

The only personally identifiable information that Dakota Fence and 3D obtain about you through their Website and any other medium is the information that you voluntarily supply. Examples of voluntarily submitted information are information you provide to Dakota Fence and 3D through your information requests, when you provide Dakota Fence and 3D information for an estimate or proposal, when you complete and submit a credit application and/or guaranty agreement to Dakota Fence and 3D, when you send Dakota Fence and 3D email(s) or use the [Contact Us](#) link on their Website. By taking any of the foregoing actions, you consent to receive communications from Dakota Fence and 3D electronically, by telephone, mail or other means in response to such submission.

Dakota Fence and 3D do not knowingly collect any information from children under the age of 13. If you are a parent and believe that Dakota Fence and 3D might have information about your child that you want removed from Dakota Fence and 3D records, please contact Dakota Fence and 3D by regular mail or email at the addresses listed below.

How may Dakota Fence and 3D use my personally identifiable information?

Dakota Fence and 3D will only use personally identifiable information to fulfill the purpose for which it was supplied to them, such as to fulfill your requests for information, to provide you with an estimate or proposal, to evaluate a credit application and/or guaranty agreement, or to contact suppliers and others that help Dakota Fence and 3D provide the products and services they offer. Notwithstanding the foregoing, Dakota Fence and 3D may take pictures of any products and jobsites they perform work on and/or publish and refer to such products and jobsites in marketing materials.

While Dakota Fence and 3D do not voluntarily disclose your personally identifiable information other than as stated herein, Dakota Fence and 3D cannot and will not act as the security provider for your personally identifiable information transmitted over the Internet and through any other

medium. Accordingly, Dakota Fence and 3D assume no liability for any disclosure of data due to errors in transmission, unauthorized third party access or other acts of third parties, or acts or omissions beyond their reasonable control. Dakota Fence and 3D reserve the right to transfer personally identifiable information without your consent to protect or enforce their rights, to protect or enforce the rights of a third party, or as required by law.

In the event Dakota Fence and 3D should sell their businesses or portions thereof, through merger, sale of stock, assets, or otherwise, they may transfer your personally identifiable information to the buyer as part of such sale.

Are cookies and IP addresses used?

Dakota Fence and 3D do not use "cookies", a piece of data stored on the user's hard drive containing information about the user of their Website. For internal purposes, Dakota Fence and 3D gather the date, time, browser type, navigation history and IP address of all users of their Website. Dakota Fence and 3D use this information for their internal security audit log, demographic information, trend analysis and system administration to improve their Website and the services and products they offer.

Do you provide links to third-party websites?

Dakota Fence and 3D do provide links to third-party websites as a service to their customers. In that event, Dakota Fence and 3D cannot control and are not responsible for the information collection practices of such third-party websites, which may differ from the Dakota Fence and 3D Website.
