

PRIVACY DECORATIVE SLATTING

FOR CHAIN LINK FENCE

**MASTER
HALCO**®

QUICK AND EASY INSTALLATION

Easy to install with just a pair of heavy duty scissors - No other tools required!

1

Insert the locking channel (open side up) to the base of your fence. This channel provides an extra measure of security by locking in the vertical slats.

2

Insert the vertical slats, with the **LOCKING NOTCH UP** through the fence.

3

Guide vertical slats through chain link fence and snap into the locking channel. It's that easy!

NOT JUST ANOTHER PRETTY FENCE.

Now the utmost in privacy and beauty from both sides of the fence. P.D.S. slats are designed to retain their original color and beauty without cracking or fading. A chain link fence with P.D.S. slats is virtually maintenance free. To clean, just spray with water.

P.D.S. is an exclusive patented slat that comes precut to any length in 3 different widths that will fit any chain link fence. P.D.S. gives you more value for the money. You can start with one of our eight decorator colors, then mix and match to complement any fenced area, inside and out!

REDWOOD
Natural redwood blends nicely with real redwood and other natural woods.

RUSTIC BROWN
Creates the illusion of wood without the upkeep of wood.

HEDGE GREEN
Affords Privacy while blending with trees and shrubbery.

CAPE COD GRAY
A good color to blend with most surroundings.

BEIGE
Mixes well with the seven other colors. Looks good by itself, too.

SKY BLUE
Popular around pools and often mixed with white for a nautical flair.

SNOW WHITE
Gives a bright, clean look to any home or business.

BLACK
Gives any building a strong, dignified air.

DO IT YOURSELF WITH EASE!

P.D.S. is designed for the homeowner as well as the professional landscaper, so installation is a breeze. Slats are tailored in 3 sizes to slide easily into chain link fences, with precut lengths to meet your exact needs.

Since plastic is much lighter than other slatting materials, it saves a lot of time and energy. In most cases, you can be enjoying the results the very same afternoon. And that's only the beginning!

10 YEAR LIMITED WARRANTY

THE TOUGHEST SLATTING YOU CAN BUY

P.D.S. is so tough it carries a 10-year limited warranty against breakage! It can stand up to 3,800 pounds of pressure per square inch! Normal temperature can't affect P.D.S. at all. It boasts a freezing point of -80° F and a heat distortion point of 200° F. In fact, P.D.S. has such amazing weather resistance, the color is guaranteed. Please refer to the warranty certificate for complete details and limitations.

Size Specifications for P.D.S. Slating:

SLAT TYPE	MESH	GAUGE	SLAT WIDTH
"A"	2"	11	1-1/8"
"B"	2"	9	1-1/16"
"C"	2-1/4"	11-1/2 & 12-1/2	1-1/4"

Caution: Your chain link professional should be consulted before installing P.D.S. slats. If the fence is not properly anchored or if too light a framework is used, high winds may cause damage to your fence.

Manufactured under one or more of the following patents:
U.S. Pat. 4085954, Patent Pending.
