Why *choose* Bufftech?

Bufftech dealers like **Dakota Fence** are CertainTeed's **trusted partners** in the fence business, dedicated to providing you with the best fence system possible. Our dealers are experienced and reputable professionals who you can turn to for sound advice on choosing a high-quality product that meets your needs.

Trust

Bufftech fence is a quality brand of CertainTeed, America's most trusted name in building materials for more than 100 years.

Brand

CertainTeed products are consistently rated #1 with builders and remodelers for their exceptional quality and outstanding customer support.

Innovation

Bufftech offers an industry-leading spectrum of innovative styles, colors and textures, including woodgrain and stucco finishes.

Performance

Bufftech conducts a variety of standardized tests on our products to ensure they'll perform in real-world conditions.

Standards

Bufftech fence products are engineered to the highest standards for performance.

Design

The Bufftech product offering includes six fence categories — traditional, classic, contemporary, semi-private, privacy and post & rail — featuring 39 styles and 13 colors.

Value

Bufftech vinyl fence is a long-lasting, low-maintenance alternative to wood fence. When you factor in the time-consuming and costly upkeep of wood, a Bufftech fence provides excellent value.

Protection

Bufftech is the only fence brand to offer an industry-leading lifetime limited transferable warranty with CertainTeed's exclusive 5-year SureStart™ parts and labor protection.

Sustainable

Bufftech fence is GreenCircle Certified®, providing assurance that our products comply with environmental and sustainability claims.
